## RESEARCH & TEACHING

### Dive into our collections

Subject librarians and archivists can connect you and your students to the best tools and materials for your class. We can also help find what you need for your own research projects.

## COVID-19 CHANGES

### Service changes

Our guiding principle is  
to support students and  
faculty while protecting  
the health of our  
community. Our service  
changes for this coming  
fall semester are in one  
easy place.
